**Term 2, Week 3, 13th May 2020**

Dear Families,

It has been a joy to see smiling, energised, enthusiastic students returning to school on their rostered day this week. I am sure this face to face contact with their teacher, along with being able to socialise with their friends, is a relief for both you and your child. Also know that the one day of attendance will assist with their learning from home, as any questions they may have can be clarified with their teacher. Should an announcement on increased attendance at school be made, we will coordinate our next phase of organisation. Until then, we continue with the current arrangements and current rostered days. I extend my appreciation to parents for not entering the school grounds unless necessary. This assists us in ensuring our school is as safe as can be.

We have additional cleaning of classrooms occurring at recess and lunch times as well as sanitising of the playground equipment after each break. Again another measure to maximise safety.

## **Indigenous Goanna – Enhanced Makeover**

Congratulations to the staff and students who have contributed to our makeover of the Goanna Garden. While not quite yet finished, it is looking much more engaging.

Mr Newham loosening our soft fall ready for students!

## Mother's Day Stalls

Thank you to the P&C for setting up our Mother's Day stall and to our admin staff for manning it each day. I hope our 'mums' enjoy receiving their gift this Sunday, albeit one week later than usual.

## Student Merit Awards

Keep the Merit Awards coming in! It has been wonderful to present these to the respective recipients each morning prior to entering classrooms.

Yours sincerely,

Greg Cross
